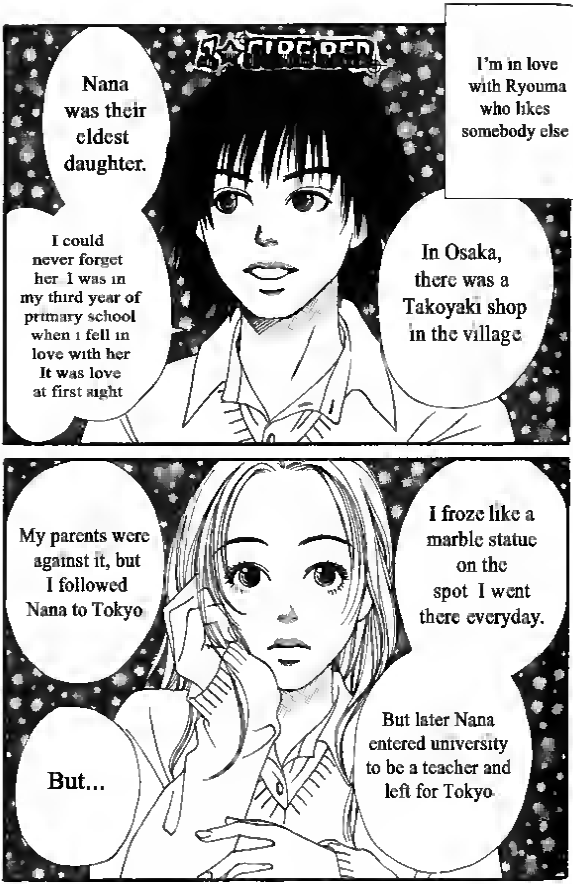
LOVE!
LOVE!
LOVE!

To Madonna,
We are...
The warriors of love and fire, Firemen!
Yellow!
Green!
Blue!
Fire Red!
Fire Pink!
Now, take this.
You've been chosen as the fifth warrior
Miyako Suzuhara from Class Three, second year!

To Madonna



Nana was their eldest daughter.
I could never forget her I was in my third year of primary school when I fell in love with her It was love at first sight
In Osaka, there was a Takoyaki shop in the village
I'm in love with Ryouma who likes somebody else
My parents were against it, but I followed Nana to Tokyo
But...
I froze like a marble statue on the spot I went there everyday.
But later Nana entered university to be a teacher and left for Tokyo

It's a very cool story!
But it's a cool story!
I've heard that story more than sixty times!
Nana had gone to Tokyo to live with a man.
A great story!
Really touching, isn't it!

When will I be...
His Madonna?
But he still calls Nana,
'Madonna of my heart.'
I LOVE YOU FOREVER

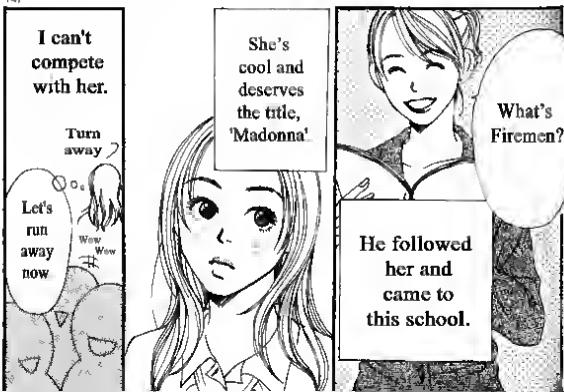
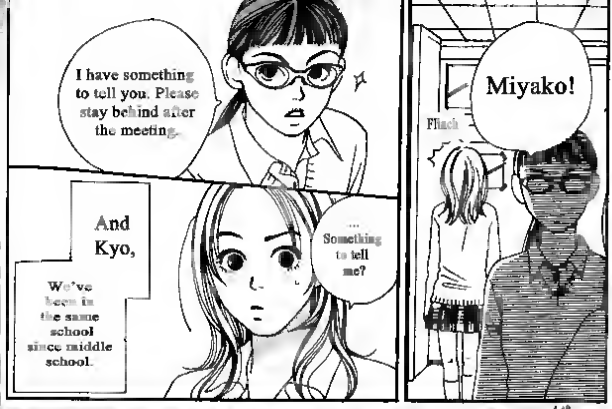
Eh! If Miyako isn't doing it, we don't have enough people
And what's that?
I don't belong to the drama club.
Who said that I'd do it?
Slide
I've told you that I'm not a member of the club.
You're a member of the drama club! Be confident!
I can't do it! I've never acted before!
But I even created a scene and appointed you as our member!

Miss Nana, hi!
It's Nana!
Ah!
Are you practising?

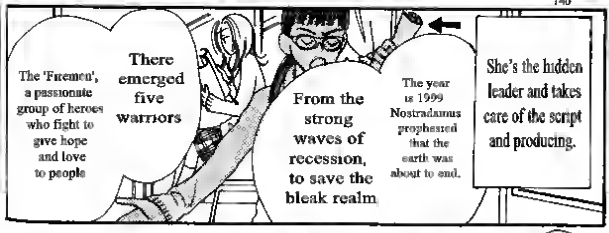
And his Madonna's the drama club teacher.
Miss, the script is ready. Do you want to see it?
It's okay!
I don't visit as often
I'm busy preparing for the new term
I'm sorry!



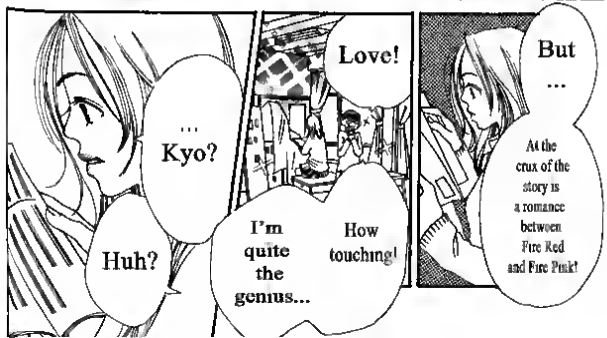
I can't compete with her.
Turn away
Let's run away now
Wow Wow
She's cool and deserves the title, 'Madonna'.
What's Firemen?
He followed her and came to this school.



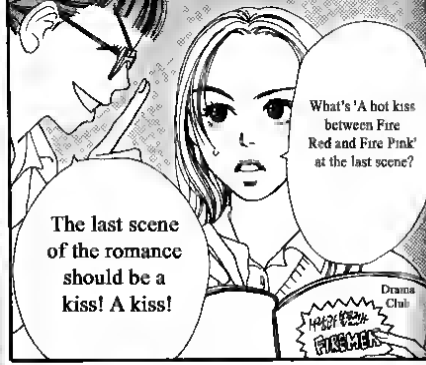
I have something to tell you. Please stay behind after the meeting.
Miyako!
Flash
And Kyo,
We've been in the same school since middle school.
... Something to tell me?



The 'Firemen', a passionate group of heroes who fight to give hope and love to people
There emerged five warriors
From the strong waves of recession, to save the bleak realm
The year is 1999 Nostradamus prophesied that the earth was about to end.
She's the hidden leader and takes care of the script and producing.



Love!
... Kyo?
Huh?
I'm quite the genius...
How touching!
But ...
At the crux of the story is a romance between Fire Red and Fire Pink!



What's 'A hot kiss between Fire Red and Fire Pink' at the last scene?
The last scene of the romance should be a kiss! A kiss!
Drama Club
HOT KISS

All of this is to cheer on your love.
You can see Ryouma through the spring holidays because of this!
I'll find someone pretty who can do it instead.
That

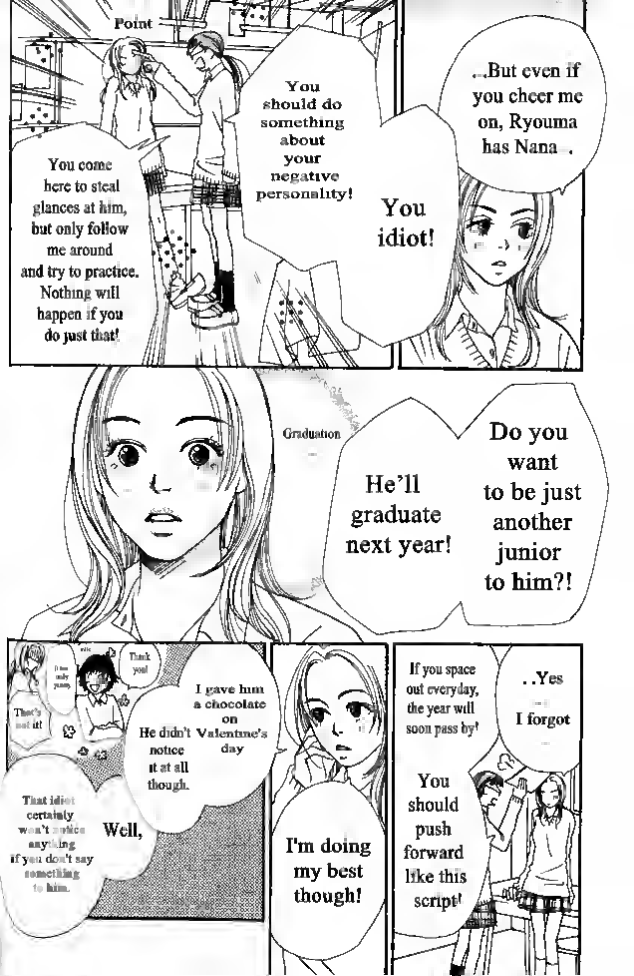
I was born and raised in Osaka, so I normally use the Kansai dialect. But what does the Kansai dialect sound like to other people? Does it sound rough? Can people understand it? I hold that thought and try not to use a dialect in my manga. But the Kansai dialect is easier to draw, so in this one shot, I made one boy use a Kansai dialect. I want to base a manga on Osaka, but I'm not brave enough... How about it? Can I really do it? I wait for your opinion.

Thump thump

Are you teasing me?! Yes, you bastard, I still like it! I do!

What's this? Are you expecting something to happen?!



Point
You come here to steal glances at him, but only follow me around and try to practice. Nothing will happen if you do just that!
You should do something about your negative personality!
You idiot!
...But even if you cheer me on, Ryouma has Nana .
Graduation
He'll graduate next year!
Do you want to be just another junior to him?!
Well,
That idiot certainly won't notice anything if you don't say something to him.
That's not it!
I was only joking
Thank you!
I gave him a chocolate on Valentine's day
He didn't notice it at all though.
I'm doing my best though!
If you space out everyday, the year will soon pass by!
You should push forward like this script!
..Yes

Which country are you from, prince?
I'm from the school's drama club
I'm practising to be a prince now
Let's meet again, if you get accepted to this school
What do you mean?
You should try to drag him back to reality!
More than anything, Miss Nana has a lover
He's says things like Madonna. He's still stuck in third year of his primary school.

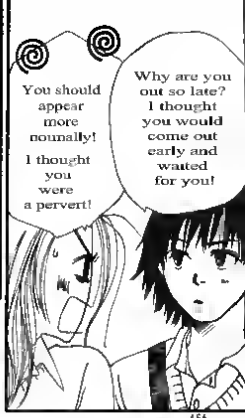
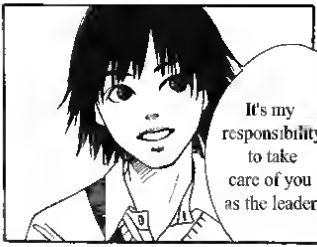
It's very dangerous for a girl to go home alone

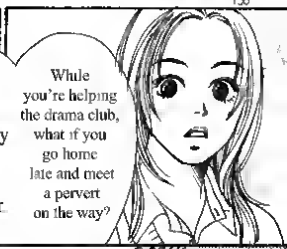
Huh?



You should appear more normally!
I thought you were a pervert!
Why are you out so late? I thought you would come out early and waited for you!



It's my responsibility to take care of you as the leader.



While you're helping the drama club, what if you go home late and meet a pervert on the way?

Then I'll take you to the bus station.
You ride the bus, right?
Yes.

Responsibility, huh

SFX. Mutter
...It's nice for Fire Pink.
Her happy end is waiting.
When I think about 'responsibility'

SFX Thump thump
